

Online or Mobile Banking Navigation:

 Your Name Manage Profile	Click here to Change User Name, Password, Email Address, Phone Number, and Bill Payment Contact Information. Sign up for Text Banking and Register Trusted Devices. Reorder and Rename Accounts.
 View Accounts	View all registered accounts. By default all accounts tied to the social security number used in the online banking registration will be shown if they are single or joint ownership.
 Move Money	Transfer funds between registered accounts. This is also the link used for Bill Payment functions if you are a registered user of Bill Payment.
 Manage Cards	Debit Cards tied to the social security number used in the online banking registration will be shown here. You have the ability to turn the cards on/off as needed. To add additional cards, see related topic.
 Find Locations	See locations/addresses of our banking facility and ATMs. Also see the hours for these locations.
 Messages	Review support messages sent to you. Send secure messages to our data processing department. Click "Choose A Form to Submit" to request a change of address, report a lost or stolen card, request a new account to be added to online banking, reorder checks or place a stop payment.
 Manage Alerts	Set up Customer Account Alerts for account balances, checks cleared, failed transactions. Set up Bill Pay Alerts for scheduled transactions, paid transactions, payees added/deleted or recurring payments processed. Set up Security Alerts for login errors, password changes, or other changes to your security profile.
 Reports	Review reports of Login Activity.
 Documents	The Documents tab is used to view online statements for your selected accounts. When this option is selected, you are asked to agree to Terms and Conditions for viewing online statements. For accounts you chose to view online statements, your paper statement will be turned off.
