

From Gregg's Desk:

Insights from Rushville State Bank's President & CEO

Smiles Day...a day originally set-aside on September 17, 1919 to welcome home Schuyler County veterans who had served in World War One.

This year we will celebrate the 100th Anniversary of Smiles Day on Friday, September 20, and will honor all Schuyler County Veterans and active members of the Military as Parade Marshals. For many years the Smiles Day weekend has also been Rushville-Industry "Homecoming" weekend, combining two special celebrations into one big event that has been extended to two days this year.

It seems like the older I get, the more I appreciate our Veterans and what they, and their loved ones, went through for our great country. Like many families in our area, my family has a history of military service. My father and all four of his brothers served, spanning the Korean

War through the Vietnam War, and my son, Shon, is currently a Major in the United States Marine Corps. To all Veterans and those actively serving in our military, and your families, THANK YOU!

Be sure to take some time during the Smiles Day weekend to visit the replica of the Vietnam Veterans Memorial Wall, honoring those who made the ultimate sacrifice during the Vietnam War. The Wall will be on display at the Rushville City Cemetery.

Finally, a big thank you to the Smiles Day Committee for all the work you have done, and continue to do, to make every Smiles Day a success.

Have a great fall, and may God Bless the United States of America!

Big Changes Coming to Rushville State Bank ATMs

New ATMs to feature touch screens and enhanced security

The next time you stop by the bank to use our ATMs, you may find that they've undergone a transformation.

That's because we will be upgrading to a new generation of ATMs that will come with some cool new features. The new ATMs will feature touchscreens for improved user experience. Additionally, they will be equipped with Diebold's Easy Edge Card Reader system, which has been shown to be especially effective in thwarting so-called "skimming" fraud.

Although the new ATMs will boast these and other improvements, they will no longer be capable of receiving deposits; however, your friendly Rushville State Bank tellers are more than happy to assist you with ensuring that your funds find their way into your account, or you may use our night depository during non-business hours.

The new ATMs are slated to be installed by the end of this year.

Premier Club

by Judy Quillen

Twenty-six club members traveled with us July 22-25 to the "Creation Museum and ARK Encounter" in Covington, Kentucky. We enjoyed a dinner and cruise on the Queen City Riverboat on the Ohio River, while we listened to contemporary gospel music. We toured the Creation Museum and the ARK, as well as Cincinnati and northern Kentucky towns. The ARK was built with biblical dimensions from Genesis 6, which was 510 feet long, 85 feet wide, and 51 feet high and has three levels of world-class exhibits. On the way home we enjoyed lunch and several Guinness World Record constructions in Casey, Illinois.

Our next trip includes a trip to California and the Tournament of Roses Parade, December 29-January 2, 2020. The itinerary for this trip is on our website.

You do not have to be a member of the Premier Club to travel with us. Call 217-322-3323 for more information on our current and upcoming trips!

**COMING
SOON TO
MOBILE BANKING!**

Deposit your checks anytime, anywhere with Mobile Deposit

Mobile Deposit will take banking convenience to a whole new level, allowing you to deposit checks simply by taking a picture with your mobile device.

With Mobile Deposit, you'll be able to deposit a properly endorsed check that will be memo-posted to your account upon bank review and approval up until 4 p.m., Monday through Friday. You can deposit up to five items per day, with a maximum daily amount of \$1,500.

There are no fees to use Mobile Deposit; the only requirement is that you be a current Mobile Banking user and have a mobile phone capable of taking pictures. We will announce when this service becomes available.

Want to get a jump start on saving for a child's future education? Open a Coverdell Education Savings Account!

A Coverdell education savings account (Coverdell ESA) is a trust or custodial account set up in the United States solely for paying qualified education expenses for a designated beneficiary. This benefit applies not only to qualified higher education expenses, but also to qualified elementary and secondary education expenses.

Distributions are tax-free to the extent that they don't exceed the beneficiary's qualified education expenses. However, there are certain requirements governing how Coverdell ESAs are set up, as well as strict rules for how contributions and distributions are handled.

For more information and to find out if a Coverdell ESA can help you achieve your educational saving goals, call or visit Rushville State Bank today!

Join us in welcoming the newest member of the RSB family, Ashleigh Rutledge!

We are happy to welcome Ashleigh Rutledge to the Rushville State Bank family as a New Accounts representative.

Ashleigh is originally from Morris, IL and she currently lives in Macomb, IL where her husband Dwight works for Western Illinois University Athletics. Ashleigh attended Eastern Illinois University, graduating in 2017 with a Bachelor's Degree and is currently working on her master's degree through the University of Denver.

Ashleigh and Dwight have two dogs; Lola, a Jack Russell, and Harper, a Great Dane. She also has one brother who is currently serving in the US Army. Ashleigh enjoys attending sporting events and concerts and also spending time with friends and family.

Please take the opportunity to welcome Ashleigh to Rushville State Bank and our community!

With our Mobile Banking App, managing your account feels like a day at the beach.

Rushville State Bank's Mobile Banking app is the fast, convenient and secure way to manage your bank accounts wherever and whenever you want to – whether you're at home, work or on the go.

Mobile Banking lets you review account activity, transfer funds between accounts and pay bills, all from your mobile phone. And with even more features coming soon, you'll have all the convenience you need at your fingertips.

Download our Mobile Banking App today from the Google Play or App Store. You can register for online banking directly from the Mobile Banking app.

Please note: the Mobile Banking app may not be compatible with all devices.

It's that time of the year again...

Daylight Saving Time ends on Nov. 3!

Sunday, November 3rd marks the end of Daylight Saving Time. Mark your calendars and remember to set your clock back by one hour when going to bed on Saturday night.

It's also an opportune time to conduct periodic checks of certain appliances, such as smoke, carbon monoxide and radon detectors. Testing and replacing batteries in these devices can be done while finding and resetting clocks throughout your home.
